IPARKS-Cyber Liability

-The park will decline the extra coverage.

IPARKS-Application

-Bo Casey will go over the application and make any necessary changes to the assets.

Old Business

-The concrete that was poured at the football field looks great. Although some neighborhood kids put their prints in it, that was cleaned up pretty quickly.

New Business

-Brad Gooding sent a message to Bo Casey. Lots of compliments on how the parks and football field look. Also indicated the press box has a broken window. Although the school owns the press box, the Park District will fix the window and send a bill to the school.

-Donation use needs to be established as being under the discretion of the Park District unless the donee pays for the entire project.

-The turbine will be dedicated at the hone festival event on September 19.

Maintenance

-The football field needs to be reseeded soon to ensure it looks great. Currently the field grass is plush and in great condition.

Adjournment

Bill Leroy motioned to adjourn the meeting, seconded by Sarah Rahn. Motion carried unanimously. The meeting was adjourned at 7:41 pm.

Respectfully submitted,

Angie Tillman
Secretary/Treasurer
